

Library and Internet Resources for Public Interest & Government

Library Resources

Serving the Public: A Job Search Guide Volume I – USA

This handbook and directory, published by Harvard Law School, is for law students and lawyers seeking public service work, including government and non-profit organizations. This publication also provides information on funding for public interest summer internships, post-graduate fellowships, federal honors programs, entrepreneurial grants, and judicial clerkships.

Serving the Public: A Job Search Guide Volume II – International

Volume II of *Serving the Public* provides information on nongovernmental organizations (NGOs), intergovernmental organizations including the United Nations, opportunities within the United States Government, and international fellowships.

Good Works – A Guide to Careers in Social Change

This publication provides profiles of professionals with careers in public service and a national directory of public service organizations.

Nonprofit Sector Yellow Book

A who's who in the management of the leading foundations, universities, museums, and other non-profit organizations.

Lawful Pursuit: Careers in Public Interest Law

This publication is designed to give students and beginning lawyers practical information on choosing and following career paths in the practice of law.
