### **Representatives of Relevant Student Groups**

(In past years, groups that had service projects or sponsored programs on public interest issues were invited to be on the board. The representative was either the President, Speaker Chair, or Community Service Chair of these groups. Since the board is so large without these positions, we will leave them out this year unless it comes to our attention that additional representatives of groups should be added because they are heading up a relevant activity or a pro bono area or co-sponsoring an event.)
