

**2019-20 Annual Report of the Review Committee of
Recent Student Complaints of Discriminatory Behavior
During the Recruiting Process or Summer Employment**

Annual Report

This report is issued pursuant to the Law School's "Policy & Procedures for Addressing Student Complaints of Discriminatory Behavior During the Recruiting Process or Summer Employment" (available <https://law.duke.edu/career/nondiscrimination/>). The Policy and Procedures require the Review Committee to prepare and distribute a report at least annually to the community describing recent policy violations that have been reported on a Complaint Form pursuant to this policy, along with measures recommended and/or taken by the Law School and the offending employer.

Incidents Reported During the 2019-20 Academic Year

There were no violations or incidents reported during the 2019-20 academic year pursuant to the Law School's policies.

Please note that the Policy and Procedures are being revised during the 2020-21 academic year.
